Dearest KOFCA Council #15,

Wow! what an overwhelming feeling of so much joy of seeing you all in pictures! Thank you very much for sending me a very nice picture of my dear brothers across the sea with a letter too.

I'm so proud of showing to all my friends how blessed I am to have you. I will put this in a frame and put where I can see you every now and then.

You've inspired me so much! I'll do all my best to be worthy to all your kindness

I'll pray for your longer lives, safety and more blessings. I love you all! God bless!

Love and kisses
Ferial Cabuquin
