Dear KOFIC Isabella council #15,

Peace, happiness and good health be with you all!

I'm so happy and thankful to our lord you're chosen me as
your sponsored child

I'm proud to tell you about me and my family. My father
is Manuel Salipot 35, a scavenger, my step-mother is Jennyrose 28
I have 3 siblings, Maribel 8, grade 3, my 2 half brothers were
Tade Mark 5 and Mathew 2 yrs. old.

I'm blessed that you gave me a chance to be part of your
life though, I'm so curious who are the people of KOFIC Isabella
Council #15, but I would like to tell you that your generosity
will help me and my family a lot.

I'm 1st year high school already, the school days here open on
Tuesday and I'm so excited to see my classmates and teachers.
St Joseph Foundation through your support provide us our
school needs and giving me a chance to be with my co-members
in C.O.C; recollection cuttings help me to gain more friends.
They also took care of my health through annual medical and
dental check-up, my parents also had a chance to be with other
parents in their C.O.C and seminars. They also have their
PAMBUTAY Savings AND LOAN PROGRAM which will help our
family a chance to change our life into better with unity
and cooperation.

Thank you very much to all of you! I promise to study

I hope to hear about your group. God bless every one!
I will keep all of you in my prayers

love,

Ferniel Cabuguin
